

Contribution Tutorials

Get started:

- Become active in the community
 - share.ez.no
 - [Slack](#)
- Comment on mistakes in the doc so others will be aware
 - *We will make sure to clean up the comments once the reported issue has been fixed*

Contribution coordination:

- Documentation:
 - On Slack use [#documentation-contrib](#)
- Code:
 - Make sure to sign a CLA: Contributor Licensing Agreement-CLA
 - On Slack use a relevant channel:
 - [#ezplatform-core-dev](#)
 - [#ezplatform-ui-dev](#)

And watch this space for future tutorials on how to contribute to the different parts of eZ Platform.
